Rinaldo and Elena DiSalvo opened Mamma DiSalvo's Italian Ristorante on June 8, 1979, with the help of Elena's parents Pasquale and Bambina Berardo and their three sons, Nick, Rinaldo Jr. and Roberto. Mamma DiSalvo's Italian Ristorante began serving Mamma's family recipes from the Abruzzi-Molise Region – one of Italy's best kept secrets. It is our passion to provide your family with the best authentic Italian food in Dayton.

Even though Mamma DiSalvos has grown over the years, our traditions remain the same. The family cooks everything from scratch using only the finest quality ingredients available – fresh meats and imported cheese, pasta and olive oil. Chef Roberto makes the family recipe sauces and lasagna each day. Please be patient while we cook your food to order in our scratch kitchen. Mamma always says good food takes time to prepare.

Be sure to check out the great selection of Italian and Domestic wines available and don't forget to ask your server about Mamma's Daily Features. And, of course, save room for one of Mamma's delicious desserts.

The DiSalvo family and staff at Mamma DiSalvo's Italian Ristorante hope you will enjoy your dining experience. Our goal is to make everyone feel like they are at home with family! Mangi, Mangi con La Vostra Famiglia! Buon Appetito.

If you can't visit the restaurant, we can bring the restaurant to you. We offer a full line of catering services that makes every celebration a success. The DiSalvo children are carrying on their parents' legacy, making sure Mamma DiSalvo's Italian Ristorante remains one of the finest family restaurants in the area.
