Rinaldo and Elena DiSalvo opened Mamma DiSalvo's Italian Ristorante on June 8, 1979, with the help of Elena's parents Pasquale and Bambina Berardo and their three sons, Nick, Rinaldo Jr. and Roberto. Mamma DiSalvo's Italian Ristorante began serving Mamma's family recipes from the Abruzzi-Molise Region – one of Italy's best kept secrets. It is our passion to provide your family with the best authentic Italian food in Dayton.

Even though Mamma DiSalvos has grown over the years, our traditions remain the same. The family cooks everything from scratch using only the finest quality ingredients available – fresh meats and imported cheese, pasta and olive oil. Chef Roberto and his wife Shari, along with their children Vincenzo and Abigail, are continuing his mother's legacy, cooking our DiSalvo family recipes. Please be patient while we cook your food to order in our scratch kitchen. Mamma always says good food takes time to prepare.

Be sure to check out the great selection of Italian and Domestic wines available and don't forget to ask your server about Mamma's Daily Features. And, of course, save room for one of Mamma's delicious desserts.

The DiSalvo family and staff at Mamma DiSalvo's Italian Ristorante hope you will enjoy your dining experience. Italians are very passionate people. We love our family, food and friends. You walk in our door and we treat you like family. We want you to leave happy and full. Mangi, Mangi con La Vostra Famiglia and Amici.

Buon Appetito.
